Kolping Golf League

In case you got new golf clubs for Christmas, you might want to try them out as a member of the Kolping Golf League in 2012.

The league play begins in mid April at Hillview Golf Course on Wesselman Road in Green Township, and runs through August. Tee times begin at 10:00. The cost is \$200.00 per season and you pay your own \$6.00 cart fee each week.

The league is open to men and women in teams of two. If you have no partner, we will do our best to pair you up with another player for the season.

One does not need to be a member of the Kolping Society to play in the league. Everyone is welcome. You also do not have to play like a pro, as scores are handicapped fairly, making for a level playing field for all.

To join the league, please contact Carl Nissen at 513-737-9170 or Mike Pelzel at 513-385-3120.

THANK YOU

I would like to thank all the Tuesday Workers for their support to the Kolping Society over the past two years. I, I and all the Tuesday Workers also want to thank all the Tuesday Worker Cooks for their services and their fine food served over the last two years. I want to thank my assistant, Norb Schomaker, for his efforts in scheduling work assignments.

I would also like to thank all the Building and Grounds Committee members who have served so well, and a special thanks to our recording secretary, Helene Schrand

Remember, for the forthcoming winter months thru March 31 the Tuesday Workers will not meet on the second Tuesday of the month.

The new Building and Grounds Chairman will be Gary Brunzman. Let's all extend to him a warm welcome. Best wishes Gary and my you have a successful term in office.

WINTER LECTURE AT THE GERMAN HERITAGE MUSEUM

On Sunday, January 29 at 2 pm, Mr. Russ Willoughby is giving a lecture on "German Immigration Ocean Liners". He has been an avid collector of ocean liner memorabilia for over 25 years. During that time he has collected nearly 6,000 items including photos, menus, Brochures, deck plans, prints, models, souvenirs and furniture. Although his collection encompasses nearly all major shipping lines, his main interest centers on German liners and their histories. In October 2010, he published his first book, "Bremen & Europa - German Speed Queens of the Atlantic" and in June 2011, his second work, "The KdF Fleet in Historic Photographs" was released. A cruising enthusiast, he has sailed over 40 times on various ocean liners and cruise ships to ports around the world, including the famous New York to Southampton transatlantic route. He lives in Lawrenceburg, Indiana.

For more information please call Manfred Schnetzer, (513) 923-3743 or send E-mail to moschnetzer@fuse.net or check the Museum website: www.gacl.org

KOLPING SENIORS

Happy New Year to all of you. Thank you for all you did to make 2011 a good year for the Kolping Seniors. Two of our members went home to be with the Lord, Ed Ryan & Anne Moertl. Our overall membership increased to 121 members. We have been averaging about 60 for the meeting.

We were very generous again this year with our charitable donations to the LAD OF THE WOODS RETIREMENT community. We were able to provide personal items to their 24 residents as well as restock their supply of personal hygiene products. Our monetary donation of \$500.00 will be put to good use. This year we have also given personal hygiene products to Sister Grace, a member, for use at the Tamar House for homeless woman. Numerous food donations to the Lady of the Woods throughout the year were very much appreciated and thankfully received. The can goods drive by the Kolping Society helped fill the food storage area for use when funds are low. I THANK YOU all in the name of residents of the facility.

When we give to the less fortunate we give to the Lord. I pray we all stay healthy so we can continue to be together. Christa Olding, President
