Another season is in the books. It's now tryout time for the fall season and by the time you get this our tryouts will be over. We have had a lot of interest from new players about coming to our club this fall. I'd like to think it's because we are doing the right things by kids and parents in offering them a quality program at an affordable cost. Or it could be we have a great facility run by professional individuals who really care about the game of soccer. Either way I'm fine with it.

Our Seth Stevens tournament was another success this season. We were at 260 teams for the weekend and actually had to turn away another 40 teams due to lack of fields and equipment. As mentioned at the meeting we are at a crossroads where we either look at expanding to 2 weekends or stay at status quo. This is a great problem to have as this season a number of tournaments were down in numbers. We will be visiting Children's Hospital on June 17th at which time we will be giving them \$7000.00 in the name of the Kolping Society, along with toys and games that were either donated or bought. We have a great group of parents that do a tremendous amount of work for this tournament as well as most everything we as a soccer group are asked from the society. Just like the society without all the volunteers we get we would not survive in this business of soccer. I thank them all for putting up with me.

Also at the meeting we gave the society \$10,000 from the Sports Club to which our hope is to do the same thing come the end of the year. We have been able to do this the last 2 years without dipping into our rainy day funds and it's our pleasure to be able to give back as much as we have on top of all the additional monetary and work related things we do the society. We will be spending some of that money on field maintenance as we took a little beating with all the rain right before the Seth Stevens Tournament. We need to do some top dressing as well as seeding of all the fields. We also need to get the wooded area as

well as the retention pond to clear them out since the wet spring kept us from doing so.

Kolping History

After wandering around Italy for twenty one days and southern Germany for three more, we, along with members, Harry and Dianne Schwietering, are back home and rested from a wonderful time. Now, it's time to get back to the task of searching out the story of our Society. We did use some of the never ending hours on the plane to do some proofreading of what has already been written.

In the coming months, we will be taking photographs of the officers of all the groups that make the Society run, and we'll make every effort to attend all of the Society functions to get some current pictures of the many activities. The last chapter in the book will cover 2014 and maybe a month or two of 2015, up to the point when the final layout must begin. If the heads of the various groups would give us a call and let us know a good time to take the photos, we would be grateful. We'll make every effort to accommodate your schedule. Sure, all of the current activities don't seem like history, but they will many years from now, and we must leave a record of ourselves! Maybe the pictures we take this year will be as interesting to those of the future, just as a soccer team picture from 1926 is interesting to us today.

Have you considered writing your memories of your association with the Kolping Society? The questions below are part of a form that we can e-mail to you or you can pick up a copy in the clubhouse, or we'll send you a copy in the mail. Of course, you can also just write your thoughts on any paper and mail the paper to us. This kind of thing will make the book so much more personal and after all, what is Kolping but people! Try out some of these questions. **When did you join Kolping and why? How many generations of your family have been involved in Kolping? Their names? What are your earliest memories of Kolping? What are some of your favorite memories of Kolping? Did you belong to any sub-groups? If so, tell something about your involvement. What activities were you involved in? Any particular stories to tell regarding these activities? What offices or positions of leadership did you hold at Kolping? Which years? What did you enjoy most about Kolping? How has**

being a member of Kolping changed your life and/or made it better?

Of course, we are always looking for any photos that you think would be a good addition to the book. We need a picture of only one more president – Fred Kuhn.

Translators are needed for some German language articles we have found. We can do this, but the native German speakers can do it better and faster. HELP!!!!

Hopefully, you can check the May edition of the *Kolping Bulletin* to see once again the few items we have still not located relating to Kings, Queens and Courts.

We need some "old timers" who may be able to help identify faces in the old pictures we have found. We'll bring the pictures to you at your convenience. This can also be done by E-mail.

Attention former Kolping Recording Secretaries! We are still looking for meeting minutes from various years. Whatever minutes have been left at Kolping, we have already found. We suspect that some of these records are still in private homes, as there was not always a place at Kolping to store such items.

Even though we were away for about four weeks, we still received some "goodies" from Alberta Seibel, Betty Lindner Kroeger, Anni Wessels Conrad, Gary Gerdes, and Heinz Kuhl. Thanks to them and to all who have contributed information in the past months. We look forward to saying thanks many more times before the book is finished.

TO: ALL PROSPECTIVE KING CANDIDATES

FROM: EAGLE COMMITTEE & TEAMS FRATERNITY

SUBJECT: KING MYTHS

DATE: 6/9/2014

Since 1926, we at Kolping have been part of a great tradition, the crowning of our Schuetzen King and Queen.

Our Schützenfest is the longest running German festival in greater Cincinnati and we are blessed to have so many dedicated members step up and give freely of their time and talents to represent our Kolping Society as our Schuetzen King and Queen.

As with many long running traditions there are always myths, misunderstandings and misconceptions. The following is a brief outline of the duties and expectations of the Schuetzen King and Queen. This memo is not to be construed as all encompassing; only as a reference for those interested in shooting for King.

The first and foremost responsibility is to represent Kolping; you are the Goodwill Ambassadors for the Society. You are expected to attend as many Kolping events as possible. Additionally you should attend the other German societies' events to represent and promote Kolping and our annual events. It is also customary to attend the Detroit Kolping King's Ball (April) and their Schützenfest (July).

The second responsibility is to assemble your court. The court will have a maximum of 40 couples, 5 of which are required; the Kolping president, the past King and Queen and the junior king's and queen's parents. The remaining 35 couples should be comprised of your friends and family with the majority being Kolping members. The selection of your court should not be taken lightly; these are the couples that will help you throughout the year. The court dues are set by the Board and are currently \$185.00 per couple (\$135.00 for the court fees & \$50.00 for the Kings Ball). The court fees (\$5,400.00) are your funds to be used for the court parties (food, alcohol, wine, champagne, music, court pins and decorations). All other purchases (King's medals, Trachten, dresses, hats, hotel rooms etc...) come from your personal funds. Recent Kings have spent as little as \$0.00 to a high of \$5,000.00

over and above the court fees and it is entirely up to your discretion.

The third responsibility is to host and plan the following events: Chairman's Party, Get Acquainted Party, Champagne Party, Parade Rehearsal, Queen's Party and The King's Party. At the King's Ball you are the guest of the Society, but you are responsible for promoting the Ball and decorating the Hall. Additionally, you will host a cocktail party in the clubhouse for your court, invited guests as well as the visitors from Detroit prior to the Grand Parade.

Your year as King will involve some hard work, but it will also be a rewarding and fun year as you celebrate your reign with the Kolping Society and your friends. If you have any questions we have listed on the reverse side your greatest resource for a successful year, the past Kings.

Eagle Committee & Teams Fraternity

NOTE: All shooters will be required to sign a waiver and present their Kolping membership card prior to shooting.
