# Kolping Brewing Klub

3/11/2014

## Kolping Brews News

Welcome to the first installment of the Kolping Brews News. This section of the newsletter is meant to give Kolping members an update on what's happening with the Kolping Brewing Klub.

The Kolping Brewing Klub has its Member Meetings on the second Sunday and brews the 4<sup>th</sup> Sunday of every month. We celebrated our 1 year anniversary in January, and currently have 10 members in the club.

In February and March we brewed four times and have made eight different batches of beer. On March 8 we will be submitting entries for judging at the Cincinnati Bock Fest. More than likely we will submit entries in six different categories.

Some of the beers that we have brewed in the last couple months are as follows:

- **Cement Mixer**, a strong brown ale with 7.7% ABV\*
- **Strong Blonde**, a wheat based Kölsch with 6.7% ABV\*
- **Brewtoad Brown Ale**, an American brown ale with 5.8% ABV\*
- **Zodiac I PA**, India pale ale with 7% ABV.

\*ABV-Alcohol By Volume

A typical brew day starts at 7:30 AM, and we usually conclude at around 3 PM, so it's a long day, but we have lots of fun. We invite any and all to come out the 4<sup>th</sup> Sunday of the month and see what the "buzz" is all about. For more information visit the Kolping Brewing Klub Facebook page or contact Mike Seibel, at (513)256-8213.

**Kolping History**

While on the hunt for Kolping historical memorabilia, we came across a handwritten letter from Harry Talkers. It was undated, but from the mention of 67 years, it was probably written in 1991. It is entitled, "**History – Historic Research Team Wanted**" and reads, "*We are making history everyday in our Society, so now it is time to form a team to keep records of it all. Through the urgent insistence of Toni Ahrnsen to us younger people, we owe it to our old timers to keep better records. Our Society was founded in 1924 by 12 young men coming from Germany. None of them had a college education, but they were proud to be expert craftsmen. Now, 67 years later, our members have educated their children to be highly professional people. We have many records and books to be sorted, so we ask everybody in the Society to*

*become part of it. We would like to invite high school*

**KOLPING HISTORY CONTINUED:**

*students to senior citizens to be part of our team, especially if your interest is in history, journalism, genealogy and volunteering to help our Kolping Society. As soon as we have enough volunteers, we will set up our first meeting.”* Please volunteer by calling: Harry Talkers (phone number).

Now, it is twenty-three years later and the pieces of the Kolping history are still waiting to be discovered and brought to light for all to see and know. Toni Ahrnsen (1907-1997) and Harry had a good idea in 1991 and we will do our best to make their hopes come true. This can only be done with the help of many members. Please try to locate pieces of our history and we will be happy to preserve in the book whatever you find.

In the last month, we have been able to locate and scan into the computer nearly 800 photographs and documents relating to the history of the Cincinnati Kolping Society. Many thanks to Marilee and Gunther Uhlhorn, Elizabeth and Clem Ricke, Norb Schomaker, Jim Slouffman, Harry Talkers and Manfred and Regina Schnetzer for providing items spanning about seventy years of our history. Thanks also to the Tegenkamps and Wilkes for allowing us to assault them on a daily basis with e-mails in an effort to identify the many faces in old photographs. If anyone else would like to be on the Photo Identification Squad, just send us your e-mail address.

We found a file from the late 1920s and early 1930s containing all of the correspondence relating to the establishment of the Kolping House at 1523 Kolping Service Awards, both locally and on the national level. We have the name lists of those who have received these awards but would like some photos of the occasions. Perhaps the recipients have these photos.

We haven't found much relating to the various sports clubs over the last ninety years. Surely, there are many members who were instrumental in developing this important aspect of the Kolping

Republic Street. Also found was a picture taken in the summer of 1924 at the Cincinnati Zoo, likely showing many or all of the founding members. Many thanks to Manfred Schnetzer who is in the process of translating meeting minutes and other documents from the 1930s. Thanks also to Elizabeth Ricke who has some documents to translate. They could both use some help if anyone is willing.

**Here are some things we hope members can find.**

Obviously, Schützenfest is a large part of our history. We have located the King's Ball invitation portraits of kings and queens for the following thirty-eight years: **1948, 1949, 1963, 1965-1975, 1978, 1980-1984, 1988-1989, 1993-1994, 1996-2003, 2006-2010, and 2013. Do we have yours?**

We have located King's Court pictures from the following twenty-seven years: **1960-1962, 1964-1966, 1968-1969, 1972-1974, 1978-1980, 1983, 1988, 1991, 1993, 1998, 2000-2003, 2005-2006, 2008, and 2010. Do we have yours?**

We would also like to have lists containing all the names of the court members from all years. We already have the lists from the following nine years: **1972, 1978, 1983, 2000, 2001, 2006, 2007, 2008, and 2013. Do we have yours?**

**If you know the children or grandchildren of members from long ago, we would like to find out from them if they still possess any parts of our history that they would be willing to share. Please pass along our contact information or give us the necessary information to contact them.** Over the years, many members have received

Society, and have information/photos, etc. that need to be preserved.

Does anyone have construction or renovation pictures of the facilities on Winton Road?

We stand ready to go anywhere at any time to get more information. We're only a phone call or an e-mail message away!

**Kolping 2014 Lenten Project**

In the January Bulletin it was announced that the Lenten Project for 2014, would be to assist Old St. Mary’s Church with the repairs of their organ. It is an expensive renovation. We have received four donations thus far. Now that Lent has begun, your donations can be sent to Kolping at 10235 Mill Road, Cincinnati, Ohio 45231. Mark the envelope “Lenten Project”. Make your check to Kolping Cincinnati. There is no donation too small, but be as generous as your means permit.

**Greetings from the President**

I would like to thank everyone who attended the February Business meeting. It was very well attended and the warmth of friendship was great to experience. All Board members and sub group chairmen were in attendance. The guest speaker from Cologne, Marcus Demerle, gave us an insight of the current happenings of Kolping worldwide and the expectations of the future. It was a very enjoyable evening.

Our long- time Recording Secretary, Charles Lintz, has decided to retire. Charlie has been on the job for many years and he deserves to spend more time with his wife Marlene. We will miss his smiling face and subtle wit. He did a wonderful job. And we wish him the best. Welcome our new Recording Secretary, Barb Hessler. Barb is no stranger around Kolping. She has grown up around Kolping and she knows how things are done. We are grateful that she has stepped forward to assume this important task. I am looking forward to seeing a nice crowd at the

Awards Dinner on Sunday, April 6. Come out and honor your fellow Kolping members that will be recognized for many years of service to our Kolping family.

See you at the next Business meeting on Friday, April 4, at 7:30 PM.

.....

**Thank You**

Thank you for the prayers and many “get well” cards that I received during my recent illness. Prayers do help. God bless you all, Betty Amrein

One more reminder, the Fr. David Hiller Fund will offer two (2) \$2500 grants to children of active Kolping parents. Grants are available for children who will be freshmen at a Greater Cincinnati Catholic High School in the school year 2014-2015. These grants will be renewable for each successive school year provided certain conditions are met.

In 2014, the grants will be awarded to the two freshmen students. Current grant recipients are also required to reapply in order to receive their renewable grants. Applications and program description will be available in the Hiller fund mail slot in the Kolping Board room. Applications should be sent directly to the Cincinnati Scholarship Fund who will determine the awardees. Deadline is March 31, 2014. A complete description of the program is available on the Kolping website, [www.kolpingcincinnati.com](http://www.kolpingcincinnati.com): Any additional questions should be sent to Paul Ahrnsen, 513-542-8554 or email: [pahrnsen@fuse.net](mailto:pahrnsen@fuse.net).
