

Kolping History

Once again, the floodgates of Kolping history have opened. In the last month, contributions have come from Cathy Weissmann, Jerry Meyer, Ann Gerbus, Mary Mollmann Kramer, Phyllis & Bill Lunnemann, Gerry Kreutzjans, Amy Gerbus, Gary Gerdes, Gert & Gus Schroeder, Harry Talkers, Heddy Freese, Charlie Zix, Ted & Christel Leuker, Dottie Nissen, Marlene & Charlie Lintz, Elizabeth & Clem Ricke, the Wenker Family, Clara & George Ostendorf, Pete Dinnesen, Doris Wilke, Ted Tegenkamp, Doris Wilke, Agnes Schlake, Margaret Borchers, Mary Ann Birn Rathman, Brother Marcel, Shirley Kramer Brockmann, Jim & Carolann Slouffman, Terri Tegenkamp Beiter, Janet & Heinz Kuhl, Kay Kempe Huss, Joe Kempe, Jane Fitzpatrick, Heinz Kalkhoff, Mary Ann Garmann Blom, Mary Vennemeyer Williams, Margot Vennemeyer Wachs, Erich Schulte, and all the people who have helped identify faces in the old pictures. And a great big posthumous thank you goes to Ed Lamping who saved so much Kolping history that we will all enjoy.

Do you have one of those old photo albums with black pages and pictures held in place by photo corners? Pete Dinnesen and Mary Ann Birn Rathman have them and they are treasure troves of good pictures. Yours could hold some treasures too!

Does anyone know one of the four daughters of Henry Pohlman(n), one of the founders? We have not been able to find meeting and board minutes for the seventies and eighties. Does anyone know who the recording secretaries were during these years?

We are happy to bring a large file of old photos to anyone who would like to do some identification of the faces of long ago Kolping members. If you were active at Kolping in the fifties, you can probably help out with this.

Ladies Auxiliary – We need some long time members of this group to write a general history. We have just recently found the minutes of the

first three years of the group from 1930-1933. The last forty years or so need to be recorded by some who were there! Maybe it's time to form a committee of former members to get this done. Who can we count on?

If you know of things that have gone on at Kolping over the years that you think we may be overlooking, please bring your ideas to our attention.

This paragraph appears month after month. It's important and we hope you will agree. The following questions are part of a form that we can e-mail to you or you can pick up a copy in the clubhouse, or we'll send you a copy in the mail. They are also available on the Kolping web site. Of course, you can also just write your thoughts on any paper and mail the paper to us. This kind of thing will make the book so much more personal and after all, what is Kolping but people? Try out some of these questions. **When did you join Kolping and why? How many generations of your family have been involved in Kolping? Their names? What are your earliest memories of Kolping? What are some of your favorite memories of Kolping? Did you belong to any sub-groups? If so, tell something about your involvement. What activities were you involved in? Any particular stories to tell regarding these activities? What offices or positions of leadership did you hold at Kolping? Which years? What did you enjoy most about Kolping? And the most important question - How has being a member of the Kolping Society changed your life and/or made it better?**

Dear Kolping Members,

All your prayers, cards, flowers, masses and help is most appreciated during Mary’s illness and death. The support from all our Kolping Family will be remembered by all of us.

John Tensing and family

Kolping Members,

The King & Queen reign for 2013-2014 has been bittersweet for me. During the 5 months that John was afforded the privilege of being King of the Kolping Schutzenfest, I realized that this truly was his dream. Throughout the past 7 months I was honored and humbled with the privilege of serving as your queen.

I would like to thank God for giving me the strength to carry on the traditions of the Schutzenfest King & Queen during the past months. I would like to thank all of you, especially the Kings Court and my family for your kind words, encouragement and support throughout this past year.

It is with heavy heart that I turn the King & Queen Title and Crown over to the new King & Queen. It has been a wonderful experience one which I shall miss and treasure always.

Congratulations to King Joe and Queen Cherise. I wish you continued success and Happiness.

My family and I say THANK YOU

Remember BELIEF: Belief is the knowledge that we can do something. It’s the inner feeling that what we undertake, we can accomplish. For the most part, all of us have the ability to look at something and know whether or not we can do it. So, in belief there is power: our eyes are opened; our opportunities become plain; our visions become realities.

Society news

Recently we were told about a major upcoming change that will take place in the Detroit “K” Family. Plans are being made to sell their two properties because they no longer have the man power to maintain them. The younger members have no interest in maintaining the properties and the ‘old guard’ no longer can do it. We don’t know exactly when this will take place since many details need to be thought thru yet but it could come about before the end of the year. This is **not** a dissolution of the society. They’re plan is to continue the meetings, etc. by renting a parish hall or another venue.

This is a traumatic time for the membership. Differences of opinions are creating strains and tensions but so far no one has come up with a viable solution to their dilemma. Let us keep them in our prayers so they find the right solution and keep the society membership intact.

House & Grounds Activities

Since no one is keeping you informed about the activities of this group I will try to do it. Last month we were given a wood shredder that is powered by our tractor. It works wonderfully – we have used it about 15 hours and cleaned up a lot of the cut off

branches that were dumped around the picnic area. Please place any branches in the future in a location accessible for using the tractor. So we can clean things up as we go. We thank Ron & Angie Lampe for their donation of this wonderful tool.

In the coming months we will be taking down a number of dead trees that need to be removed in the picnic area for safety reasons. We most probably have to hire some of this work out in order to get the trees down safely since they are intertwined with other trees. This will create a monumental cleanup event.

The festival grounds at the north end of the main building will be regarded and reseeded this fall. This is our bread & butter space for Schützenfest and it ought to be in good shape as any of our soccer fields in regards to drainage. We can't expect our guests and workers to splash around in ankle deep water after a 'traditional' Schützenfest thunderstorm.

The Tuesday crew has been shrinking in recent weeks and I hope that this is not a trend. I know it has been very hot and the heat is not very conducive to working outside but we still need everyone that can muster the will to come out.

Wonderful meals are still being prepared by our chefs, Doris Wilke;., Herman Koehling, Mike Pelzel,

Tom Musbach; Bil & Bard Adelman; Erna Vosseberg an Irene Whalen; and Gert Schroeder.

These folks do a tremendous job fixing a very diverse and delicious menu every week.
