Schützenfest 2015

I want to once again send a big "Thank You" to one and all for the wonderful help and support of Schützenfest 2015! This was a particularly difficult year both from a setup and operational aspect given the challenging weather faced. I want to thank everyone for all your hard work and commitment!

In spite of the challenges, we still had great success on multiple fronts and know we laid the foundation for more growth and success in the future! Moreover, we received a great deal of positive energies and feedback from a wide range of new and old festivalgoers. It was great to see so many familiar faces we haven't seen in a while.

I truly feel we continue to set the wheels in motion for even greater success with all our changes and new ideas, as well as our advertising and marketing efforts. We want to keep things going and hope to have everyone's help and support as we try and improve things in 2016!

As we continue with future Schützenfests and other activities, we want to continue to tap more and more into younger members and their families to help Kolping be a meaningful part of our lives and the German community. We have something very special and unique to offer.

It is going to be a great year for the new King's Court of King Mickey and Queen Lisa Moore & Jr. King Charlie Salemme and Jr. Queen Kelly Spraul! It is going to be fun and exciting to see the familiar and new faces come out and celebrate Kolping Style.

Thank you again for everything!

Sincerely,

- Jim Stukenborg

Schützenfest Yard Signs

Since we will re-use this year's Yard Signs for future Schützenfests, please either store them at your home or bring them back to the Kolping Klubhaus. We will distribute stickers next year to cover up the 2015 Dates (July 17 – 18 – 19) with 2016 Dates (July 15 – 16 – 17).

IMPORTANT: please be sure and also save or return the associated Wires.

3rd Annual Wein & Bier Stube Nacht – MARK YOUR CALENDARS

Due to the Stube Nacht's success and popularity, we are planning Kolping's 3rd annual one sometime in late January or possibly early February. We will let you know more once a date is finalized. We are very happy to report that Paul Wienkamp will be our 2016 Stube Nacht Chairperson. Please mark your calendars and be on the lookout for additional details.

We hope to see you there, as it will be fun for the entire family!

Hi,

My name is Kelly Spraul and I wanted to thank Kolping for the opportunity to be part of such a great Schützenfest tradition. I am proud and honored to be your Junior Queen for the next year.

Thank you
Kelly

GACL

A lady in Milford donated a men's wedding suit to the German Heritage Museum. It belonged to her grandfather, Heinrich Geismann, who got married in Metelen, Westfalia to Bertha Kroger on October 8, 1900. The suit includes a vest, all made of linen and in perfect condition.

We would like to display it at our museum and are looking for either a seamstress frame or a mannequin. Please Email or call me if you can help!

Ten Ways to Kill a Society

1. Don't Come to meetings
2. But if you do come, come late
3. If the weather doesn't suit you, don't even think of coming.
4. If you do attend a meeting, find fault with the work of the officers and other members
5. Never accept an office, as it is easier to criticize than to do things.
6. Nevertheless, get sore if you are not appointed on a committee, but if you are, then do not attend the committee meetings.
7. If asked by the chairman to give your opinion regarding some important matter, tell him you have nothing to say. After the meeting, tell everyone how things ought to be done.
8. Do nothing more than is necessary, but when other members roll up their sleeves and willingly, unselfishly use their ability to help matters along, howl that a clique runs the society.
9. Hold back your dues as long as possible, or don't pay at all.
10. Don't bother getting new members: "Let Joe do it."

July "K" Activities

Old Chairs. Ten of the chairs that we wrote about in the last bulletin are gone. The six that are left have seen better times and they most probably will wind up in the dumpster.

Storage Containers: These have been painted are now in use. Certain Schuetzenfest equipment is housed in them. Gus Schroeder, Heinz Kalkhoff, our resident painters, and their apprentice Guenther Stark finished the job. Guenther the all-around mechanic and his helper Werner Wilke modified the door closures. It definitely is an appearance improvement and much needed indoor storage. Thanks guys for a job well done.

Festival Grounds: The horrendous down pours on Schuetzenfest weekend played havoc with the grounds all around. Not only did the festival grounds receive a lot of damage so did the soccer fields that were used for parking as well as the field across the street. All are in need of repair and this process is underway. A big thank you to everyone who is involved in getting this job done. These repairs cost money and will reduce the net income from Schuetzenfest.

Replacement cooks: We reported earlier this year that Tom Musbach and Mike Pelzel would take over the kitchen on the first Tuesday of the month from Herman Kohling. Tom & Mike have learned the lesson well. They make fantastic sandwiches (German style) and the soups they have served are getting better each time they cook soup. Another ten years and they'll have earned their place in the "K" kitchen hall of fame. Good job guys - keep things going. We, Tuesday workers, are very fortunate to be the recipients of fantastic meals each week. Thanks to Doris Wilke, Gert Schroeder, Erna Vosseberg, Irene Whalen and Bill and Barbara Adelman.

Schuetzenfest Set Up Help: The following High school and College students showed up during the set up week prior to Schuetzenfest: Matt Ahrnsen, he is well experienced because he has helped with Schuetzenfest set up for a number of

years; Andrew Hessler who to is experienced and has come on Tuesdays frequently over the years with his Opa Werner, Bob Bauer brought some of his grand kids out to help as did Ted Tegenkamp by bringing Michael Beiter. Theo Leuker had grand kids as did Manfred Schnetzer who gave us a hand. It is wonderful to see these young people participate in the pre Schuetzenfest ritual of digging needed items out of storage. I believe that Mike Seibel brought his youngsters along to help in the evening. There may have been others in the evenings that we are not aware of and we apologize for the omission. We thank all who did what they could to make Schuetzenfest as successful as possible.

The big event for the year is behind us. Now we can attend to the other items on the list including forest management before winter sets in.
