Chairs for the taking

There are 16 orange chairs that were once part of the clubhouse décor on Winton Rd. We'd like to get rid of them because we are tired of moving them from place to place since we no longer use them. The chairs are upholstered and in pretty good condition considering their age. As far as I can see the only thing wrong with them is their color (orange). If you need some extra utility chairs here is an opportunity to avail yourself of them. Presently they are stored in the container on the left facing them. They will be going to the dump after Schuetzenfest unless someone picks them up soon.

Parking Lot

The work is progressing and all indications are that the parking lot will be in good shape for Schuetzenfest.

Trees

Ms. Wendi Van Buren, Regional Urban Forester from the Ohio Department of Natural Resources met in early June with Jim Schnieder and Norb Schomaker to give us her recommendations regarding our woods and the type of trees we should consider planting in the Picnic area to replace the ones that we had

to remove. Her report is three pages long plus three attachments – a lot to digest. The following are recommendations that we can implement immediately without a major monetary investment.

- Honeysuckle removal – to provide more light to the existing tree
- Cleanup around the outer perimeter of the picnic area
- Deep watering of the new trees between the soccer field and the festival area at least once a week
- Mulching around new trees
- Trenching around the new trees

The following requires further discussions and planning. The following types of trees can be planted in picnic area to replace the ones we had to remove: Bur Oak, Swamp White Oak, Thornless Honeylocust, and Sycamore/London Planetree.

On the perimeter of the picnic area we may want to consider planting the following trees: Tulip Tree, Blackgum, Oak or Kentucky coffee tree.

Along Mill Rd: Beech, Blackgum, Sugar Maple, Linden, and Serviceberry.

The trees along Mill Rd. have been chopped up over the years by the electric company and are in need to make them astatically appealing. I don't know how many more "chopping" they can withstand before they all need to be removed. The ideal thing would be to find trees that have eye appeal and don't grow tall enough to get into the power lines.

The report and recommendations are extensive and a very good beginning to what we need to know and have to do about our natural resources that we are entrusted with. We thank Jim & Norb for their efforts in this regard.

Help needed

The Monday after Schuetzenfest we need lots of help for the cleanup. A good opportunity for students to earn credit hours since we have many jobs that they can do.

Father's Day/ Anniversary Mass

We thank all who attended the Father's day/ Anniversary Mass. It is wonderful to see a large crowd.

ANNIVERSARY MASS CELEBRATION THANK YOU

Thank you to our friends and Kolping family for helping to make the Father's Day/Anniversary Celebration on June 21st a beautiful event. The gentle breezes in the pavilion kept the outdoor Mass comfortable and the sunshine was a welcome sight after the stormy weather we had on the days prior to the event. Our thanks to Father Bruno Kremp, Betty Poole, Karen Vosseberg, Bill Lunnemann Jr. and the Knights of Columbus for making the Mass celebration so special. To everyone, including the Schuetzen Club, that helped with set up and clean up, your hard work is appreciated. Thank you Ted & Elaine Wilke for capturing the day with your great photos of the celebrants and to Bev Meyer for all her time spent designing & printing the lovely programs for Mass. Thanks also to Jim Schnieder, Tom & Rita Musbach, Mike & Nancy Pelzel, Bert & Irene Whalen and Trey Seibel for all that you did. To Allen & Carol Cliffe who did the table arrangements and to Doris Wilke who helped to keep things organized in the clubhouse, thank you for coming early to help even though you were also celebrating that day.

We are blessed to have so many members give their time to make this event so memorable for our anniversary celebrants, their families and other Kolping members. Congratulations to the thirteen couples celebrating this year, and best wishes for many more years of love and happiness.

Also, congratulations to our praeses, Father Bruno Kremp, on the 50th anniversary of your ordination to the priesthood.

Dianne & Harry Schwietering

**YESTERDAY’S
DOOR**

Time has closed
yesterday’s door

But today is still in
God’s hand.

If we live in the
past, we deny the
“now”

And the trials we’ll
not withstand.

It’s said of time, that
it heals all wounds.

God’s infinite
justice shall reign

The answer to all
that’s unfair in life
is:

God’s love will
always remain

So, live in the “now”
with the future in
mind

The past is forgiven
and gone; if we
place our souls in
God’s protective
care

We can meet our life
head on.
