## Kolping News

The Tuesday workers are hard at work improving our facility inside and out. The carpenters Ferdi Kappen, Manfred Ellers and Rudy Pohlabein along with some helpers have a lot of the new paneling in the foyer and hallway installed. Gus Schroeder and Heinz Kalkhoff have been staining and removing wall paper and getting the walls ready for the next application of paint. They are doing a great job. The grass in the Festival area is not growing as well as we had hoped. Jim Stukenborg is trying to push it along but so far it is not cooperating. It'll be in good shape by summer

The two storage containers should be in place within the next month. Bert Whalen did a great job grinding the stumps that had to be removed. More stumps in the picnic area will be ground once the gravel around them is removed. We

need help with this.

The 12 trees that were planted last fall between the festival area and the soccer field are all turning green. Guenther Stark has been talking to them all winter and they listened. It is going to look nice.

There seems to be an encroachment issue along our southern property line by our neighbor. There is talk about installing a fence once the property line is officially established.

We haven't heard anything yet regarding the reconstruction of the parking lot. It looks like the rain is abating and as soon as the ground is dry enough hopefully the work will get underway. We are thinking about having a 30 yard dumpster brought in in order to get rid of the remaining fire wood. No one seems to be interested in it and it has to go to eliminate the cluttered look. The wind some

weeks ago broke a dead tree in half and on the way down it caught the south west end of the gutter on the outside toilet building. There is no catastrophic damage but it will have to be repaired at some point. We are still looking for some high school students who are in need of service hours to help us clean up in the picnic area. Give me call to set up the time and date when you want to do it. # Kolping Soccer Club

This month has been a very emotional month. If you are not aware we lost one of our soccer players, Kelsey Crow, to a senseless act of violence on April 4th. Kelsey was a member of the Kolping United U17 Girls team coached by Rick Hill. She was shot by an unknown assailant while leaving a birthday party.

The Soccer Club along with Father Bruno met at the Kolping center to help all those in need of healing from this tragic event. We as a club and as family felt it was very important to offer support to all those

affected by this tragic event.

The U17 United Girls also had to play in the MASC tournament on April 10-12 weekend. A moment of silence was held for Kelsey prior to their first game. The team won 2-1, with the winning goal being scored in the last few minutes of the game. The team made it to the finals, but unfortunately lost 1-0. These Girls showed so much strength and courage. We are very PROUD of both the team and coaches in a very difficult time. We thank all of you for your support and

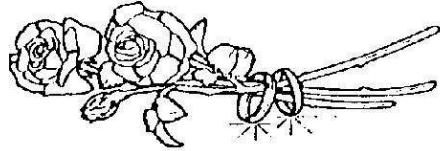

prayers.

May will also be another busy month with the Seth Stevens Memorial tournament (May 15-17), try outs that will be held in the later part of the month, and all the rain out games having to be rescheduled.

# Kolping History – May 2015

**Our Patron  
Saint  
St. Joseph**

Now that the 90<sup>th</sup> Anniversary is over, we can get back to the book. As of the submission date for this article, we have 465 pages finished with about 285 to go. The word count has reached about 135,000.

If you are among the 550 people who were at the 90<sup>th</sup> Anniversary celebration, you know that it was a wonderful experience. The many kind words that have been passed along to us from those who were there clearly indicate that it was a great success. For those who were and weren't there, you can see 210 pictures that the photographer took by following the instructions below.

Thanks to all the members of the Society who made an effort to connect with the 205 children and grandchildren of the founders, early kings, queens, presidents and others who were there. Many of these people have written and called to say that it was a wonderful experience to meet again with people they hadn't seen in thirty, forty, fifty and more years.

Thanks also to the members of the Anniversary Committee for "getting the job done". We were honored to be able to work with a group of people who set a goal and then "took care of business" in a cooperative way. To all the others who volunteered to assist in any way and to the people associated with Cincinnati Catering, thanks to you, too. You must know that your efforts have made a difference in the lives of many who were there.

To access the photos taken by Waltz Photography at the Kolping 90th Anniversary Celebration:

Enter the website:

<http://www.waltzphotos.zenfolio.com/kolping>

This will bring you to the page with all the photos. Double click on one of the photos to enlarge it, and then you can just go through viewing each photo by clicking on the arrows underneath the "Slideshow" button, or you can just click on the "Slideshow" button for a full screen slideshow of all the photos. Hit the Escape key to exit the slideshow.

To download a particular photo, or all of them, to your computer, click on 'Kolping Center' in the upper left of the screen, which will then show all the photos that you can scroll through. Click on the 'Download' button in the upper right of the screen. You will then have the option of downloading the entire gallery (This takes a very long time.) or selecting photos to download. Once you click on 'Select photos to download', you then need to click on each photo you want to download. A check mark will show in the lower left corner of each photo you select. Then click on 'Download Selected' in the upper right corner of the screen. The photos will then download to your computer.

To buy any of the photos which will be of professional quality (much better than sending to Walgreens for prints), click on the 'Buy' button in the upper right, then click on 'Select photos to buy', then click on each photo that you want to buy. Once you have clicked on all photos that you want, click on the 'Buy Selected' button in the upper right, and then you can choose prints, greeting cards, photo books, etc. The prices for different sizes are listed. From this point on, just follow the instructions to purchase the items you want. Of course, you can print your own, too.

If you do not have access to a computer, or are having trouble with downloading or purchasing photos from the website, you can call A.J. Waltz at 513-324-7765 for help.

In the June Bulletin, you will receive the pre-order information for the book. We will need this information to determine the price per copy of the book.
