Stube Nacht 2016 Thank You

We would like to thank everyone for making the Stube Nacht 2016 a wonderful success. We were blessed with great weather and a super turnout. It was great to see such a diverse audience of all ages both from Kolping and non-Kolping members! Our amazing team set up the hall for 450, and every seat was taken! This was the third year for this event, and it seems to be growing more and more each year. We look forward to continuing this fun filled mid-Winter celebration for years to come. It's a great way to show off our great facilities and attract more people to come to Kolping and hopefully become members.

We want to send a special "Thank You" as well to all of our wonderful workers and donors who made Stube Nacht a reality! We simply cannot do it without you.

Please mark your calendars for Stube Nacht 2017, which we target to be held the weekend before the Super Bowl once again. Thank you for everything!

Sincerely,

Paul and Karen Wienkamp

SPRING CLEANING AT KOLPING

A famous German scientist once said, "stuff expands to fill the space available". The attic storage facility is a living demonstration of that phrase. We need to clean up and re-organize the storage facility above the utility room. the storage facility is overflowing.

Consequently, designated representatives of the Sangerchor, Sports Club, Shooting Club, Schutzenfest, Seniors and holiday decorating committees and anyone else who has an interest in the material stored in the attic are invited to join us on any Tuesday in February from 9:00 am to 12:00 pm to determine what is no longer needed and can be eliminated from the storage area. You are welcome to visit the attic any other time that is convenient to you. Please come and stay for lunch and Gemutlichkeit with the Tuesday workers.

Regrettably, the building and grounds committee will decide what to throw away if no one comes to save it by March 11.
