4-H

Addresses needed It has been a long time since there has been any news about 4-H. We had such a great group of children and parents participating in 4-H during the 70’s, 80’s and early 90’s. Talking to some of these people we thought it would be a good idea to have a 4-H reunion at the Kolping on a Sunday in June. Parents and Children receiving this notice I need your help to get all the addresses of all who participated in 4-H during this time. When I get all the addresses, an invitation will be sent to everyone.

If anyone is interested in helping with this project please let me know.

Send your address for your children and any other children to:

What is going on at Kolping?

I thank Mike Pelzel for his report in previous months Bulletins while I was on my winter vacation. Mike is a heck of a writer which makes me think of retiring so I can concentrate on developing my grass cutting skills needed for the next 50 years. The Tuesday workers presented me with a T-shirt and plaque certifying that I have cut grass for the past 50 years at Kolping. I have enjoyed it and am still enjoying it as long as my body can take the bouncing. Thanks guys. The Fish Fry season is behind us and this has brought "K" a bonus. Werner Wilke and Dick Ellensohn have over the years looked after the deep fryers in the kitchen to be sure they operated correctly and changed the oil in them when needed. Theo Leuker apprenticed this year with Werner Wilke on how to filter the oil, change the filters and how to maintain the filter pump besides cleaning the units. Theo is a welcome new face in this capacity because not to many folks volunteer for this greasy job. Thanks Theo for your willingness to pick a new skill besides keeping the patches of lawn behind the building looking good. We are in need of some folks who love to apply their landscaping skills and an interest in fixing up and keeping the flower beds around the building looking nice. The Bed on the North end of the build really looks rough right now. We could use a small, operational rotor tiller that would make the cleaning job much easier. Manicured flower bed and shrubs give our facility character and appeal. Michael Beiter joined the Tuesday crew on his Easter break to clean grills and the shop vac besides cutting grass. Boy, we could use a dozen young men to do the chores that need to be looked after. Thanks Michael for donating a day of your school vacation.

Grass cutting season has opened and we could use some folks to operate the riding mowers.

St. Joseph Day

We thank the people responsible for resurrecting the St. Joseph Day celebration. St. Joseph being the

patron saint of our organization deserves a special recognition by us each year.

Beth & Pete Hoffman along with Ami & Paul Ahrnsen (there maybe others involved) resurrected the St. Joseph Day celebration for which we are very grateful. A statue of St. Joseph was donated to "K" by MM Wagner (Mary Margaret Jamison). She and Tim Jamison maintained St. George Church on Calhoun Str. and MM Wagner rescued this statue and she and Tim Jamison decided to donate it to Kolping. It is a beautiful piece of art. Tim made a carrier for the statue and Paul Ahrnsen and Pete Hoffman carried the statue from the hall to the Grotto and back into the hall were Deacon John Corsen blessed it. All this took place on March 23, prior to the children's Easter egg hunt. A great big thank you to MM Wagner and Tim Jamison. (To bad we can't publish a picture of the statue.) Beside the beautiful Grotto we now have a room size statue of St. Joseph.

Available to us

Recently I have been asked whether we have wall space for a mural that was painted by a "K" member of the granite statue that is and has been standing on the square between the International "K" office and the church of the Minorites in Cologne, Germany. The mural was painted from a postcard however it was enlarged by the artist so it is 63 ½" w X 104" l. It is bigger than life and that raises the question "Where can it be displayed"? Please pass any ideas on to Tom Musbach, Chairman of the House & Grounds Committee.

The live size picture (painted by Konnie Knoblauch from a post card many years ago) of Fr. Kolping shaking the hand of a journeyman has found a home in our facility. I am told that it will be displayed in the utility room along with hand carved statue of Fr. Kolping, the St. Joseph statue and the statue of the Blessed Virgin Mary.

I am preparing my truck so I can haul it from Detroit when all the arrangements are finalized. I could use some moving blankets to wrap the picture in before covering it with a tarpaulin. Give me a call if you can loan me one or more.

Fr. David Hiller Fund

Some of you received the March Bulletin but many of us did not, therefore I am running the donor list again that appeared in the March Bulletin. We regret that the bulletin did not get to you but it was out of the editor's control. Bill Adelman delivered them to the Post Office. Thaw following list didn't get published in the April Bulletin. Numerous calls have prompted me to submit this list again.

We extend our condolences to the families who lost a loved one during the past months and who during this difficult time thought of this fund as a worthy recipient of memorials. Our sincerest thanks to everyone who made a memorial donation or other contribution to this fund. We also thank the Sub groups for donating any bar tips to this fund.

Many thanks

Thanks to Paul Ahrnsen and Russ Hessler for arriving at short notice to help us clean up the landscaping in front of the Kolping Center on Saturday, April 23rd. Thanks also to Trey Seibel and his crew of Mason Seibel, Matt Courter, Bethany Clenny, Brenden Watt and Darlene Emerson for coming the next day to put down the mulch. For many years, this task was taken care of by Charlie Zix and his crew from the Tuesday Workers but Charlie is not doing it anymore, something about his being 96 years old in September. Excuses, excuses! Seriously, though, thanks Charlie for all the years you took on the job. We hope that what this year's crew did meets with your approval.

Additional thanks to Linda and John Knizner and their "supervisors", Gert and Gus Schroeder, as well as the rest of the crew who prepared the delicious Schnitzel dinner for the Awards Banquet. Every speck of the leftovers was happily consumed by the Tuesday Workers. The only complaint heard was that there were no Whisky Sours left over.

Mike and Nancy Pelzel

New Chairperson(s) Needed for Father's Day/Anniversary Mass

Dianne and Harry Schwietering will be chairing the Father's Day/Anniversary Mass for the last time this year. Since they are now "Snow Birds" and are staying in Florida longer, it has become more difficult to chair this event. This is a wonderful Kolping function that honors our members' wedding anniversaries and all of the fathers in our community, as well as giving us the opportunity to pray together. If you are interested in chairing this event, please contact Mike Seibel, Chairperson of the Events Committee, at 513-256-8213 or mfseibel@gmail.com. Thank you, Harry and Dianne, for all of your hard work for the last 12 years, and for making this such a lovely time for all involved. Dianne and Harry will be more than happy to help with the transition.
